## ABOUT US

The UC Berkeley Parking and Transportation Department provides a full range of parking and transportation services, serving a diverse community of more than 40,000 students and 15,000 faculty and staff in the City of Berkeley, at the heart of the San Francisco Bay Area.

### OUR VISION

In support of the University’s core academic and public service mission, Parking and Transportation is dedicated to delivering transportation systems that complement long-term growth and development, and enhance and protect the physical attributes of the campus and surrounding area.

### OUR MISSION

We aim to improve the quality of life for the UC Berkeley community by providing safe, convenient, and well-maintained parking and transportation options, while promoting and facilitating alternative modes of transportation.

---

**Editor’s Note:**

Many of the programs that are offered at the time of writing of our handbook may be subject to change due to COVID-19 and the impacts to instruction of the 2020-21 school year. Changes to Public Transit services (BART, AC Transit, MUNI, and others) can be found by visiting 511.org. Other providers (such as Amtrak, FlixBus, ZipCar, GIG) can be found by visiting their respective websites.

For more specific and updated information with our programming and transit services, please visit pt.berkeley.edu/COVID19 or on Social Media (Facebook, Instagram, or Twitter).

Go Bears!
UC Berkeley’s shuttle system operates seven-day a week service around the campus and vicinity. Bear Transit provides convenient transportation between campus, Downtown Berkeley BART, parking lots, Clark Kerr campus, the Hill area, residence halls, Richmond Field Station (RFS) and Campus Shared Services on 4th Street. Students, faculty, and staff can travel for free with their Cal Card; and members of the public may ride for a $1 fare. All daytime shuttles, P-Line, RFS-Line, and H-Line, are equipped with wheelchair lifts.

1. **Hill Campus (H-Line)**
   - 7:35 a.m. to 7:25 p.m.
   - Runs at 30 minute frequencies.
   - (The first trip starts and the last two trips start & end at Downtown Berkeley BART Station)

2. **Perimeter Line (P Line, Around Campus)**
   - 7:00 a.m. to 7:30 p.m.
   - Runs at 30 minute frequencies, last full trip leaves Downtown Berkeley BART at 7:30 p.m.

3. **Downtown Berkeley/Central Campus via Hearst Avenue Line (C-Line)**
   - 6:45 a.m. to 10:45 a.m.; and 4:15 p.m. to 7:15 p.m.
   - Runs at 20 minute frequencies

4. **RFS Line (Richmond Field Station)**
   - 6:45 a.m. to 6:05 p.m.
   - Frequency varies

5. **North Berkeley BART - Shared Services Shuttle (Faculty & Staff Only)**
   - Peak Periods Only:
     - Morning - From North Berkeley BART Station
     - Every 20 minutes from 6:40 A.M. to 9:20 A.M.
   - Afternoon - From 4th Street

* Time intervals may vary throughout the day, particularly on the first and last runs of a service period. Please see the schedule for each route for a complete listing of stop times.

Real time information is available on: The Berkeley App, Transit App, Moovit, and Citymapper.

**BEAR TRANSIT**

**NIGHT SAFETY SERVICES**

**Night Safety Shuttle**
[nightsafty.berkeley.edu/nightsafety/nightshuttles]

The night safety shuttle is a campus-run service available for free to all Berkeley students. There are two different routes with their own pickup locations around campus and schedules. They run in a more extensive area than Bearwalk, and are more viable for students living further away from campus. To ride, just show the driver your Cal ID.

**North Side Route**

There are two North Route shuttles that have their own pickup/dropoff locations. Each shuttle starts running from 7:45pm to 2:30am on weekdays and Sunday, and from 6:45 to 2:30am on Saturdays. It runs on approx. 30 minute intervals.

**South Side Route**

South route runs from 7:30pm to 2:30pm on Weekdays, 6:30pm to 4:00pm on Saturdays, and 6:30pm to 2:30am on Sundays. It runs on approx. 15 minute intervals.

**Door to Door Services**
[nightsafty.berkeley.edu/nightsafety/door2door]

Intended to bridge the gap between Bearwalk/Safety Shuttle and regular public transit from the earliest morning hours, UCPD offers a door-to-door service in order to get you home safe when other methods fail! They will pick you up via squad car and drop you off safe at home. Service runs from 3:00 am to 5:00am, and students can be picked up within the same borders as BearWalk. Students can request door-to-door service through the same link: https://bearwalk.

**Bear Walk**
[nightsafty.berkeley.edu/nightsafety/escort]

Student-run and UCPD-organized community resource effort to escort students from campus to their residences safely. After a walk request is made, the UCPD dispatches Community Service Officers, paid student volunteers, to the location of the request to walk you home. You can request a walk, online or by phone, up to 15 minutes before you need to meet your escort, as they will only wait 5 minutes for you after they arrive at the pickup destination.

They service the immediate area around campus, so this might not be a viable choice for students living too far off campus (but they can still escort you to any busy stop nearby?)

The number to call is (510) 642 9255, and you can also visit http://bearwalk.berkeley.edu to request an escort. Bearwalk operates from dusk till 3:00am but the last call is 2:30am.
The LOOP

The LOOP is a golf cart that provides intra-campus rides for eligible faculty, staff, and students with disabilities on a first-come, first-served basis. This service was created to assist persons with mobility disabilities (including temporary disability as a result of injury) and visual impairments. The Loop only operates on the core campus. 

https://dac.berkeley.edu/accommodations-services/mobility-accommodations/loop-golf-cart

Eligibility for the Loop:

- All riders must demonstrate a disability-related need to receive approval to use the Loop. Campus Access Services receives requests for Loop access, verifies the requestor’s disability needs based on available documentation, and approves requests as appropriate.

- Students with active cases with the DSP will have Loop access approved based on their currently documented disability status, in consultation with their Disability Specialist. Additional information about DSP’s processes can be found here.

  https://dsp.berkeley.edu/students/returningstudents

- Non-DSP students must provide documentation of their disability need(s) including your expected recovery period. You will receive access to the Loop for one (1) semester or through your expected recovery from the injury/condition for which you seek Loop access, whichever is shortest. Access to the Loop can be extended beyond the initial request in consultation with Campus Access Services.

- Staff, Faculty, and visiting researchers/scholars are currently not required to provide disability documentation, however they must certify their need and describe the length of their requested Loop access in detail.

- Guests and visitors to campus should contact their sponsoring department or the department sponsoring the program or event they are visiting to receive campus mobility support. Alternatively, they may contact Campus Access Services at access@berkeley.edu or (510) 643-6456 for assistance.

Having trouble using the app to request a ride?
If you’re already approved by Loop services and are having trouble with the Loop app, please call 510-219-6981 to contact dispatch for a ride.
**AC TRANSIT**

**ALAMEDA CONTRA-COSTA TRANSIT**
actransit.org/

A public transit agency that operates in the East Bay, including the UC Berkeley Campus. The Student EasyPass is a student-funded program that gives students free unlimited AC Transit access around Berkeley, the East Bay, and San Francisco. It comes loaded onto a Clipper Card, an all-in-one transit card that students can use to access public transit around the campus and greater Bay Area as well as load funds onto the card for access to BART, MUNI, and many other Bay Area transit options. Incoming freshman and transfer students can pick up their Clipper Cards at the Cal1 office, usually around the same time they receive their Cal IDs. A description of the AC Transit routes that serve campus are on the following pages: https://pt.berkeley.edu/transportation-options/public-transportation-passes-and-info/ac-transit-student-classpass

**LOADING FUNDS IN YOUR CLIPPER CARD**

In Person:
You can load your Clipper Card with funds at any BART station using their many ticket vending machines or at participating retailers, and ticket offices. A map of all the retail locations can be found below: https://www.clippercard.com/ClipperWeb/map.do

Online:
If going in person is too troublesome, you can also load it online at: https://www.clippercard.com

**REPLACING YOUR CLIPPER CARD**

For Lost/Stolen**/Damaged/Defective cards with no funds loaded:
You must visit the Parking and Transportation office located at 1995 University Avenue, Suite #110 with your Cal1 Card. From here, fill out the Student EasyPass replacement form and pay a $25 replacement fee. You can pick up your new card at the same office, and will have to re-register it online at the Clipper Card Website. Please note that the pass on your previous card will be deactivated.

For Lost/Stolen**/Damaged/Defective cards with funds loaded on it:
You must call Clipper at 1-877-878-8883 to cancel your card, and they will send a new one to Parking and Transportation’s office. After this, you can pick it up with a valid Cal1 ID card and the $25 replacement fee.

* If your Clipper Card is lost or stolen, the replacement fee is $25 unless you provide a police report in which case the fee is waived. Replacement cards can be picked up at Parking and Transportation office.

BAY AREA RAPID TRANSIT

cbart.gov

The premier way of navigating the Bay Area. It is a rapid transit rail system that serves the Bay Area, from Richmond to Fremont, Antioch to San Francisco International Airport (SFO), and Dublin/Pleasanton to Daly City and Millbrae. BART serves many communities around the Bay Area, and will be expanding its existing service. Up-to-date information can be found at https://www.bart.gov/tickets/calculator and by downloading the Official BART app available on iOS and Android. Updates including service changes, line extensions, and other alerts can be found by following BART on Twitter (@SFBART).

BART Watch

A free, useful safety app that you can use to report suspicious activities. Available in iOS and Android, you can anonymously submit text and image reports directly to BART police. The app is available in English, Spanish, and Chinese. You can report crimes such as vandalism, theft, disruptive behavior, or an illegally parked vehicle. However, in-progress crimes and emergencies should be deferred to 911 or BART Police Department’s number (877-679-7000).

Adding funds to your Student EasyPass Clipper Card

You can add value:
- Online at clippercard.com
- Automatically – by setting up Autoload at clippercard.com
- Over the phone – by calling 877.878.8883
- In person – at participating retailers, transit agency ticket machines and ticket offices, Clipper Customer Service Centers,
BART DIRECTIONS TO OAKLAND AIRPORT

Oakland International Airport (OAK) is a smaller airport with easier TSA experiences that is great for a variety of domestic flights as well as some international flight options. Many UCB students chose this airport for the close location, and its easy accessibility through public transit.

Public Transit Directions
1. Arrive at Downtown Berkeley BART by riding the AC transit bus to the station using the Student EasyPass Clipper Card.
2. Take the Berryessa/North San Jose (orange) line to Coliseum Station.
3. From there, go up the escalator by following the signs with arrows and an airplane.
4. Take the BART to OAK shuttle train.
5. Depart the train at the final stop and walk to your terminal.

Total one-way cost: $9.30

BART DIRECTIONS TO SF AIRPORT

San Francisco International Airport (SFO) is a large international airport in the Bay Area near San Bruno and Millbrae with an extensive variety of flights to Europe and Asia. Although located farther than Oakland International Airport, accessibility is very feasible by public transport and ridehailing services.

Public Transit Directions
1. Arrive at Downtown Berkeley BART by riding a AC transit bus to the Station using the Student EasyPass Clipper Card.
2. Take the Berryessa/North San Jose (orange) line or the Millbrae (red) line to MacArthur Station.
3. Transfer to the San Francisco International Airport (yellow) and you will arrive at the last stop.
4. Once you arrive at SFO, walk through the gates to the terminal and follow the signs to your assigned gate.

One Way Travel Cost
Clipper Card: $10.30
Student EasyPass: $10.30
Bart Blue Ticket: $10.80

The purple line drawn represents the public transit directions on the BART System Map. Note that individuals must transfer trains at the MacArther station to the yellow line in order to arrive at SFO.
STUDENT PERMITS
Sold every semester, online and in person at 1995 University Avenue, Suite #110. UC Berkeley students must renew their permit every semester, and are responsible for displaying their valid permit in UC-owned lots. Student parking is extremely limited on campus (parking is only permitted in “S” lots with exceptions) and is restricted to students who live within a 2 mile radius from campus. Students may park in any spot on campus after 5pm. Parking on campus is not allowed between 2:00am and 5:00am.

RESIDENCE HALL PERMITS
Determined by Housing and Dining Services, once an individual meets the requirements, applications for the permit are provided by Housing and Dining Services. P & T can then determine if a need is present and issue a permit in lieu of Housing and Dining Services approval. RH permit may be issued to faculty/staff residing in resident halls. Rules on Residence Hall (RH) Permits are online: https://pt.berkeley.edu/parking/student-permits/student-permit-rules

STUDENT CARPOOL PERMITS
At Cal, we believe in promoting sustainable transportation. Because of limited parking spaces, Student Carpool Permit Holders are required to register online with BerkeleyMoves! (more information about platform found in the BerkeleyMoves! Section)
• Starting Address/Home (that is registered with their permit)
• Campus Address/Preferred Destination
• Network Selection (Students at Cal).
• Commute Calendar Login - At least two trips must be registered per week in order to continue participation. Details about the carpool permit changes are online: https://pt.berkeley.edu/CarpoolPermitChanges
Student Carpool Permits can only park at Ellsworth, Foothill, Lower Hearst, Stadium Rimway, and Underhill. All other lots are available to all permit holders after 5pm weekdays and 9am-2am on weekends. To purchase a student permit online: https://bit.ly/2JqGJE3

MOTORCYCLE
UC employees or students with motorcycles and/or convertibles are eligible. Motorcycles must park in M/C designated areas. Motorcycle permits are not valid in car spaces. Convertibles must purchase the appropriate validation stickers and a master sticker with validator must be adhered to the driver side rear bumper. Not valid in designated reserved spaces. Not valid in red zones or unmarked spaces.

* Students can park in any non-reserved space, please include language that includes that “for details about which parking areas are available, please visit our website: https://pt.berkeley.edu/parking/student-permits

PURCHASE PERMIT ONLINE
pt.berkeley.edu/parking/student-permits/student-permits
Student Semester parking permits are available online through our My P&T portal. Purchase your permit online, print a 15-day temporary permit to display fully until your semester permit is received. Your permit sticker will be mailed to the local address you confirm at the time of purchase which is outside the designated campus boundary but within northern California. Do not discard your hang-tag, you will affix the sticker to your hang-tag when you renew every semester. There is a $35 replacement fee for lost or discarded hang-tag. If you do not receive your permit within 15 days, you must come to the Parking and Transportation office to report your parking permit lost and pick up a replacement. We will not mail out permits with local postal address that is more than 60 miles away one way. Permit will be canceled, and pro-rate refund will be issued once you notify P&T. Your temporary permit is only good for 15 days, you must fully display the parking permit. Failure to display a valid permit or altered parking will result in a $55 permit misuse citation.

BUYING PERMIT AT THE P&T OFFICE
• Present your UCB Cal ID card (Cal 1 Card Office).
• Fill out a Parking Permit Application form.
• Vehicle information (make, model, color, license plate #) is required.
• Provide proof (current utility bill, bank statement, or lease/rental agreement) that you live outside the designated campus boundary but no more than 60 mile away “one way”.
• To replace your permit, you must fill out the Request for Replacement Permit Form.

LOST, STOLEN OR FORGOTTEN PERMIT
If you have lost, stolen or forgotten to bring your parking permit, you must stop by the Parking & Transportation office to purchase a temporary one-day scratcher permit.
• To replace your permit, you must fill out the Request for Replacement Permit Form.
• Pay a $35 nonrefundable permit replacement fee unless a police report is provided, in which case the replacement fee will be waived.
• Permits reported lost or stolen are subject to a permit misuse citation if used to park on campus.

CITATIONS
pt.berkeley.edu/citations/paying-citations
All citations indicate the violation and fine amount on the citation. Citation recipients have 21 calendar days to either pay or contest the citation.

ELECTRICAL VEHICLE CHARGING STATION
Upper Hearst Parking Structure, Level 1 (link is external) has two charging stations. C parking permit required. Nearby public parking garages offering public charging stations:
• Stadium Garage
• Telegraph-Channing Garage (2450 Durant Avenue)
• Oxford-Fulton Garage (2165 Kittredge Street)
• Rec Sports Facility

WHERE TO PARK
For a comprehensive guide to campus parking, the Campus Parking Map shows all designations of parking lots and campus facilities and their permit requirements.
BERKELEY MOVES!

Berkeley Moves! is UC Berkeley’s official ridematching and trip-planning platform. Since it is an internal and closed network, you will only be sharing rides to and from campus with other students, staff, and faculty.

Check out this link to sign up for your account: https://cal.rideamigos.com/#/

COMMUTE OPTIONS

Berkeley Moves! is an internal closed ridematching platform for students, staff, and faculty. You can search for recurring commute options from addresses within the Bay Area, as well as one-time trips to and from SoCal during holidays and school breaks. The search results will yield a variety of transit options to accommodate everyone!

MONTHLY SAVINGS AND LEADERBOARD

Berkeley Moves! aims to incentivize the campus community to reduce their carbon footprint by taking alternative transportation. You can track your total commute expense savings, non-SOV trips, calories burned and carbon emissions reduced. You can also unlock achievements and see how your commute behavior compares with the rest of your network.

PRIZES

There is a monthly raffle (no signup required) open to all eligible Berkeley Moves! account holders. When you log 6 or more trips, you will be automatically entered into the raffle, which will have prizes ranging from gift cards to t-shirts. Keep your eyes peeled out for big prizes like a pair of headphones or backpacks!

CARPOOL PERMIT REQUIREMENT

Carpool permits are offered at reduced prices if you commute to and from campus with a partner. There are many benefits like preferential parking spaces, reduced rates, and eligibility for a discounted EasyPass Plus! In order to maintain your carpool permit status, you must meet the following requirements:

- Register for a Berkeley Moves! Account to find carpools and post to the commute calendar
- Log 6 trips a month (3 trips a week) during the regular school year to maintain your carpool permit status. You can log trips up to 5 weeks AFTER you’ve taken them (ex. If today is August 1, I can log trips from June 27th)
- If there are extenuating circumstance such as vacation or PTO, email us at berkeleymoves@berkeley.edu

Given the impacts of Covid-19 on commute, the 6 trips logged do not have to be simply “carpool”. “Telework” option is also applicable for Fall 2020.

EVENTS

For travel during holidays/school breaks, major events, and in the weeks leading up to the start of every semester, Berkeley Moves! offers “events”, which are a one-stop centralized posting for all carpool trips to and from the specified location.

- Filter events based on origin point and occasion
- Select date of departure
- Find carpools trips that match your selection

Berkeley Moves for Spring Break - Riverside

Need a ride to Riverside for Spring Break? Berkeley Moves! has you covered. Be sure to vote the day/time you have planned for your trip!
CARSHARE

GIG CARSHARE
gigcarshare.com/
A one-way carsharing service available exclusively in the East Bay. You can search for GIG cars nearby and pay by the mile, by the hour, or by the day! Berkeley, Oakland, Albany, Alameda, OAK airport, and select locations in San Francisco and Sacramento. Parking GIG cars at UC Lots and City of Berkeley is not permitted, violators will be ticketed. Download the app on Google Play or Apple Store to instantly find a car near you and unlock with your phone.

ZIPCAR
zipcar.com/
A carsharing service that allows users to rent cars for a low rate. There are over 20 zipcar locations within the city of Berkeley, San Francisco and Oakland. User fees include gas, insurance, a reserved parking spot on UC Lots, free miles and satellite radio. Students are eligible for a discounted student membership!

ENTERPRISE
The official rental car company used by UC Berkeley administrators, alumni and the Cal Athletics department. Save on short-term rentals. Enterprise Rent-A-Car offers discounted rates to Cal students, faculty and staff. A convenient location on Campus at the corner of Oxford and University with hourly rentals and free pickups.
For more information on renting cars, visit: pt.berkeley.edu/carshare

RIDESHARE

If you decide to use Lyft or Uber on campus, you will need to be picked up or dropped off at one of eight pick up/drop off zones across campus. These areas are designed to improve safety, efficiency, and improved circulation in and out of campus. These pick up and drop off zones in clockwise order are located at:

1. West Gate/Eucalyptus Grove (the top-left most point)
2. North Gate
3. Hearst Mining Circle (Stanley Hall)
4. Haas School of Business
5. Optometry Department
6. College of Law/ Kroeber Halls (Bancroft and College)
7. RecSports Facility
8. Sproul Plaza (Bancroft Way east of Telegraph)

Remember there is only a 3 minute drop off time limit at each of these pickup locations!
For a more detailed map, please check out this link: https://pt.berkeley.edu/transportation-mobility/getting-around-campus/tnc-pick-drop-zones

**No other locations can be used for pick-up or drop-off other than the designated ones listed above.**
BICYCLE PARKING
Bicycle racks are conveniently located throughout campus for student, faculty, and staff use. The following link provides the list of racks and a map with their specific locations: https://bit.ly/2luCOwe.

Besides the racks located across campus, secure bike parking locations are available to students, staff, and faculty. Secure bike parking facilities are meant to provide secure parking for bicycle commuters and not overnight storage. Bicycles stored or left for long periods of time may be impounded. Sharing of access codes is also not allowed. The following link provides a map of the three locations and the additional secure bike parking locations: https://bit.ly/2uJfDES.

These secure locations are monitored by both parking enforcement and parking attendants during business hours and allow you access with a personal code. In order to use either of the three main secure bike parking locations, you must apply by filling out a simple application located here. Upon approval of your application, you will receive your personal access code by email. Access codes are valid for one year and can be renewed yearly.

Bicycles can be attached to both Bear Transit and AC Transit buses.

BICYCLE SAFETY
Cyclists are encouraged to invest in high quality locks to prevent theft of their bicycles. They are also encouraged to register their bicycles with UCPD. Doing so will also allow you to obtain a license (UCPD sticker) for your bicycle and use certain secure bicycle parking areas. UCPD offers bike licensing services for free. You will need to bring your bicycle to 1 Sproul Hall between 6pm to 9pm, Monday-Friday to obtain your bike license.

BAY WHEELS
Lyft.com/bikes/bay-wheels
With over 3,000 bikes in 250+ stations, BayWheels is the regional Bike Share System designed to connect Berkeley with four other cities (Oakland, Emeryville, San Francisco and San Jose). Bikes are available for both manual and e-bike forms. Using BayWheels is simple:
- Memberships allow for unlimited 45-minute journeys.
- User your EasyPass Clipper Card (register your card with the BayWheels site) or download the Lyft App to access bikes.
- Students are eligible for a month-to-month program for $13 a month with no annual commitment. First month is free with code GOBEARS.
- EOP Students - BikeShare for All Memberships available through their EOP Counselors. Qualified EOP Students (Dream and Pell Grant eligible) can obtain a free BikeShare for All through their counselor at the EOP office, 119 Cesar Chavez Center. Memberships are free for the first year, but users can continue their memberships for $5/month.

BICYCAL
Bicycal.berkeley.edu/
BicyCAL is a cooperatively student run bicycle maintenance shop on the Berkeley campus that is run by students. Students can get free hands-on bicycle repair! Located at MLK Student Union between Cal 1 Card Office and the ASUC Art Studio.
MICROMOBILITY

DISMOUNT ZONES
Bicyclists are required by UCPD to walk their bike during the day from 8am-6pm, Mon-Fri, on Upper Sproul Plaza, Dwinelle Plaza and Sather Road. During the day, these areas have dense pedestrian activity and special events.

MOTORIZED VEHICLES
California Vehicle Code (CVC) 4073(a) defines a motorized scooter as any two-wheeled device that has handlebars, has a floorboard that is designed to be stood upon when riding, and is powered by an electric motor. California Vehicle Code (CVC) 21235 mandates that all scooter riders in California must wear a properly fitted bicycle helmet, have a valid driver’s license, ride on the road and remain off sidewalks, and may not park scooters on a sidewalk in a position that blocks pedestrian paths.

ELECTRIC SCOOTERS
pt.berkeley.edu/mobility
Commercial scootershare programs are currently banned on campus (Lime, Bird, etc). Personal scooters, skateboards, and hoverboards are allowed, but owners are responsible for securing those vehicles.

SKATEBOARD
Many students bring their own electric/non-electric boards. Students are not permitted to skate on dismount zones on campus.

MOPEDS
Free parking on perimeter of campus.

INTERCITY TRAVEL

AMTRAK
amtrak.com/deals
Amtrak, the national rail operator, has four train routes that pass through the Bay Area. If you’re from anywhere outside of the Bay Area (Redding, Modesto, Merced, Bakersfield, SLO, LA, San Diego, Sacramento, Santa Barbara, or San Jose) taking the Amtrak may be a convenient method of transportation to get to and from home during vacations. Riding on the Amtrak can often be more cost efficient than driving or flying and provides you with some of the best views of the state and the country.

10% Student discounts on tickets are available for most routes to students who have a Student Advantage card. Students are eligible to receive a 15% discount on their train ticket by using the promotion code V353 on our booking website, a station Quik-Trak machine, a ticket agent at a staffed station or from a conductor if you board a train at an unstaffed station. Passengers must have a valid Student ID.
