

The Davis Berkeley Shuttle offers direct service between the UC Davis and UC Berkeley campuses for registered students, faculty and staff.

The shuttle departs both campuses twice daily, five days a week, and once on Saturday and Sunday.

The shuttle doubles as an intercampus transport for library loans and mail, in order to reduce carbon emissions and support campus sustainability initiatives.

Passengers are allowed up to two carry-on items not exceeding 7"x12"x19" that can be safely stored under the seats or in overhead racks during transport. The shuttle also features a bicycle rack that can accommodate two bicycles on a first-come, first-served basis.
