REQUIREMENTS

At the University of California, Berkeley parking is a scarcity. There are not enough parking spaces for all of the faculty, staff, and students who work, study and live on campus. Therefore, a limited number of spaces have been allocated to the residents on the basis of demonstrated compelling need.

City of Berkeley Residential Permit Parking. The City of Berkeley restricts street parking to a time limit of two hours. Only residential permit holders may leave their cars on the street for a longer period. Students living in the residence halls are NOT eligible to receive permits from the City of Berkeley.

How Do I Qualify For A Parking Space? Parking spaces are allocated to students living in the residence halls only. Parking with this permit is restricted to assigned RH lots.

Residential Hall:

1. Complete the Parking Policy and Application.
2. Submit a copy of your Housing contract (submit email confirmation okay)

Residence Hall Parking. Residence Hall Parking Permits can only be purchased on an annual basis, 7/11/xx - 6/30/xx. Further instructions regarding permit privileges will be provided to approved applicants who are granted a Residence Hall Parking Permit at the time of purchase. See pt.berkeley.edu for pricing.
