

Revel

We Move People

Hello UC Berkeley! [Revel](#) is now available in your area, and getting around has never been so easy, fun, and socially-distant. Our shared electric mopeds first launched in the Bay Area in January with an Oakland fleet, and now we've expanded to the City of Berkeley.

MEET REVEL

- Every vehicle has a DMV-issued license plate. Users must have a valid driver's license and be at least 21 years old.
- Speed is limited to 30 mph, users are prohibited from riding on bridges or bike lanes.
- Two helmets are provided with each vehicle and are required to operate the moped. Insurance is provided for every ride.
- Lessons - Our team of dedicated lessons specialists are available for in person lessons. Feel free to schedule an appointment to learn how to ride a moped or as refresher training! Visit <https://gorevel.com/oakland/free-lessons/> or schedule a lesson via the app.

HOW TO SIGN UP

01 Download the Revel app via your app store and follow the in-app instructions to sign up, including completing our in-app safety training.

02 Once approved find a nearby Revel, unlock it, take a helmet selfie and start riding!

PRICING

- **Simple Pricing:** \$5 one-time registration fee, \$1 to unlock your ride, and \$0.39 per minute!
- We're committed to **Access!** Revel offers the Access program, which provides a 40% discount to those who are eligible by actively participating in any local, state or federally administered public assistance program. To apply and for additional information please visit gorevel.com/revel-access/apply and fill out the form. You can also email us at access@gorevel.com with any questions.

REMINDER

- Revel mopeds parked at UC Berkeley lots are still subject to parking rules. No parking is allowed in permit required areas, no overnight parking and users must pay parking fees as required by the university.
